SUPERVISORS HOLD REGULAR MEETING

COUNTY SURVEYOR NEUMAN SUBMITS EXHAUSTIVE REPORT TO THE SUPERVISORS.

Good Roads Movement Strongly Endorsed By the County's Leading Citizens at Meeting.

The Board of Supervisors met in regular session Monday, June 17th, there being present P. H. McEvoy, presiding, Wm. H. Brown, D. E. Blackburn, Jas. T. Casey and Jos. M. Francis.

A communication was received from the California Development Board inviting the supervisors to attend a convention to be held at San Jose June 21 and 22, at which matters of public interest are to be considered, especially the county roads.

Brown moved that all of the members attend and take part in the deliberations which will be of vital interest to the county. His motion was seconded by Casey and carried.

A communication was received from the Redwood City Woman's Club inviting the board to contribute toward the erection of a monument in Redwood City to the memory of the late Horace Hawes, a county pioneer who had done much for the public schools of Redwood City.

At the suggestion of the chairman the communication was laid over until afternoon to give the ladies an opportunity to be present and present the matter.

A copy of a resolution passed by the city council of San Diego and addressed to the governor asking that an extra session be called to deal with industrial troubles in that city was read by the clerk. The communication was accepted and filed.

A copy of a resolution was received from the Merced board of supervisors recommending that a state building be erected at the 1915 exposition grounds by the Exposition Company for the housing of county exhibits.

On motion of Brown, seconded by Blackburn, the matter was referred to the County Exposition Committee.

A communication was received from Knowlin & Fassett, attorneys of San Francisco, informing the board that on May 22, H. J. Anderson, while driving across a bridge in the Third township near Alpine met with an accident through the breaking down of the bridge and was seriously injured, having sustained a broken arm, a sprained back and many cuts and bruises. The attorneys contended that the accident was due to the neglect of the board in failing to keep the bridge in proper repair. Anderson's injuries were assessed as follows: For loss of time, $120; surgical expenses, $75; loss of wagon, $50; incidentals, $5.60; total, $251.60; which amount the county was invited to pay.

The chairman stated that as the bridge in question was in his district it was due to him to make an explanation. On the day that Mr. Anderson met with his accident the bridge had been so badly damaged by an automobile truck that it was plainly unsafe and when Anderson attempted to cross it he did so at his own risk. The negligence was on his part and not on the county's. He made an order that the communication be accepted and referred to the district attorney.

A communication signed by C. O. Moore, president of the 1915 Exposition Company was received, inviting the board to attend a meeting to be held June 20th at 10 o'clock at the St. Francis Hotel, to discuss ways and means that will determine in what manner San Francisco and the State shall receive the full benefit of the exposition.

Casey moved that the board attend in a body, which motion was seconded by McEvoy and carried.

Coroner and Public Administrator Plymire rendered a report as to the disposition of the personal effects of certain deceased persons.

Reports were received as follows from the motorcycle officers:

M. F. Brown, Second township—Eight arrests for violation of automobile speed regulations; 8 convictions; 6 cases pending. Fines, $135.

T. A. Martenstein—Two arrests; 2 convictions; 2 cases pending Fines, $75.

The following petitions were received for the support of half-orphan children who are entitled to aid from the State:

Mrs. A. Davis, San Bruno, four children. The applicant is in ill health and asks a renewal of the assistance heretofore granted her. Granted $6.25 per month each on motion of Casey, seconded by Blackburn.

Mrs. Kate Brown, Redwood City, four children, granted $6.25 per month each, on motion of Blackburn, seconded by Brown. This is also a renewal.

The application of Mrs E. Bollent of South San Francisco who applied for aid for her five half-orphan children was returned for correction, and the application of Mrs. Adeline Allen for aid for her four abandoned children was referred to the chairman.

A petition signed by thirty-two residents of San Bruno was presented, asking that two additional lights be placed on the roadways of that district.

Casey stated that the district had sufficient funds to pay the cost of the lights, but the conditions were the same as in the Colma district, the light company refusing at this time to install any more lights than called for in its contract. He moved that the petition be referred to the district attorney, and was seconded by Blackburn and the motion carried.

Auditor Underhill asked permission to employ his extra clerical force two weeks longer in order to finish up his voluminous reports to the State. Granted on motion of Francis, seconded by Brown.

Arthur R. Schroeder of San Gregorio sent a communication asking financial aid from the board to assist in the organization of a county poultry breeders' association. The communication was accepted and filed.

A map of the Civic Center tract at Moss Beach was presented by Littlepage, Horigan and Cohen and accepted by the usual resolution, on motion of Francis, seconded by McEvoy, the county not to be responsible for the streets and avenues within the tract.

A resolution was adopted on motion of Blackburn, seconded by Francis, rejecting the streets and avenues in the Butano Falls tract in the Fifth township.

John O'Farrell, the courthouse gardener, sent a communication informing the board that he had sent samples of earth from the lawn to the State University with a view to ascertaining what had caused the unsatisfactory growth of grass. He would have a report at the next meeting.

School Superintendent Cloud was permitted to employ an assistant for two months to catalogue some 3000 books belonging to the school department.

Mr. Cloud also asked for definite information regarding a street adjoining the public school at Daly City. This thoroughfare had been closed and, he was informed, had recently been sold. The matter is in the hands of the district attorney.

The following bids were received for the erection of a steel and concrete bridge in the Fourth township

Mitchell & Savage—$5875; extra concrete, per yard, $7.50; extra piling, $1 per foot; time, 40 days.

Harry B. Morey & Sons—$6388; extra concrete, $12; extra piling, $1.25 per foot; time 60 days.

M. B. Wiggins—$5572.50; extra $1.25 per fot; time 60 days. concrete, $8; extra piling, 75 cents; time, 40 days.

Alfred Mattson—$5275; extra concrete, $11; extra piling, $1; time, 55 days.

On motion of Francis, seconded by Casey, the contract was awarded to Mattson.

Four of the committee appointed by the board to manage the county's exhibit at the 1915 exposition, namely, George R. Sneath of San Bruno, H. P. Bowie of San Mateo, Dr. C. L. Morgan of Halfmoon Bay and James McCormick of Pescadero, appeared before the board and expressed a willingness to take up the work assigned to them.

Mr. McEvoy stated that he had thus far been unable to secure a suitable representative from the Third township. He was assured the assistance of the four gentlemen present in making a selection.

The committee retired to the anteroom for organigation, promising a report at 1 o'clock.

The matter of closing and abandonment of portions of Alejandra and Emilie avenues at Fair Oaks in the Third township was taken up, and there being no opposition to the petition the avenues named were declared closed by resolution adopted on motion of Blackburn, seconded by Brown.

Deeds executed by Mrs. Julia B. Hoitt and Mrs. Emilie Donohoe, granting to the county sufficient land to take the place of the closed portions of the avenues, were presented and accepted on motion of Brown, seconded by Blackburn.

The following bids were received for the Millbrae school bonds amounting to $1500 which are to run fifteen years and bear interest at five per cent per annum:

N. W. Halsey & Co.—Par and accrued interest and $277 premium.

E. H. Rollins & Son—Par and accrued interest and $85.50 premium.

J. H. Adams & Co.—Par and accrued interest and $307 premium.

On motion of Casey, seconded by Brown, the bonds were sold to Adams & Co., they being the highest bidders.

The board adjourned at 11:45 to accompany Mr. McEvoy on an inspection of some of his roads.

The board reconvened at 2:20, all of the members answering the roll call.

A resolution was adopted on motion of Blackburn, seconded by McEvoy, confirming the sale of the Millbrae school bonds to Adams and Son.

George P. Lowans, the motorcycle officer of First township reported having arrested four automobile law breakers, three of whom were convicted and one case pending. Fines collected, $30.

On motion of Blackburn, seconded by Francis, the latter was authorized to make repairs on a bridge in his district near Montara to the extent of $150.

The following liquor dealers in the First township, having complied with the law and furnished sufficient bonds were granted licenses:

Corbett & Burke, San Bruno; J. B. Demartini, Colma; John Biggio & Sons, Colma; Caleb Coakley, Colma.

The County Exposition Committee having completed its organization by the election of Mr. Bowie as chairman and Dr. Morgan as secretary, returned to the meeting and a report was received from Dr. Morgan as to the plan that had been agreed upon to exploit the county's advantages during the fair. ey

It was decided to erect on the exposition grounds a California bungalow which would be so furnished and arranged as to represent typical California life. It would be supplied daily with flowers and fruits from the county and in one large room set apart for the comfort of visitors, stereoptican views would be shown of the county's homes and beauty spots. In conjunction with this feature it was planned to maintain a daily automobile service by which large numbers of visitors could be taken through the county and given a view of its scenery and palatial residences. Of course such an undertaking would be contingent upon th success of the good roads movement

Dr. Morgan's remarks were supplemented and enlarged upon by Mr Bowie who thought there would be no better way to make known the county's advantages than to bring the people here and show them wha we have. He asked the county press to criticize the scheme.

All of the members of the board spoke in favor of the undertaking.

The following citizens expressed their approval of the plan and at the same time endorsed the good roads movement: Judge Cunningham, Judge Fitzpatrick, M. B. Johnson, W. J. Martin, Wm. J. Savage and the representatives of the press

Surveyor Neuman rendered an abridged report of the surveys of the county roads made by him and the cost of improving the same, as follows:

Bay shore road from San Francisco county line to South San Francisco, 3.95 miles, 30 feet wide, asphalt macadam, 24 feet wide, $111,000.

Bay Shore road from city limits of South San Francisco to Mission road, 1.20 miles, 30 feet wide, asphalt macadam 24 feet wide $34,350.

Road from Colma to Halfmoon Bay, 28.15 miles, 18 and 22 feet wide, macadam 12 and 16 feet wide, $279,200.

Halfmoon Bay to Pescadero, 21.37 miles, 22 feet wide, macadam 16 feet wide, $212,100.

Pescadero to county line, 14.91 miles, 22 feet wide, macadam 16 feet wide, $137.400.

Ever Think Of It?

NOW FOR A UNITED EFFORT.

That the local Board of Trade is to become one of the chief factors in the commercial development of Redwood City was made manifest in the general sentiment expressed at the annual banquet of that organization on Tuesday evening. In every sense, the occasion was characterized by the hearty "get together" spirit which at last seem to have taken possession of the community. Throughout the entire evening the sentiment manifested was one of absolute unity of purpose, coupled with a splendid spirit of optimism. Every speaker was a local man, every plea was for the advancement of our home interests as a prime consideration.

This is as it should be. This first interest of every resident is the prosperity of his home community. Be he merchant or mechanic, whatever be his means of gaining a livelihood, unless the community by which he is immediately surrounded is prosperous his own interests must lag. That, then, which looks to the prosperity of his home city city must naturally claim the first support of every citizen.

If, however, the Board of Trade is to achieve the full measure of success in this commendable work, the organization must have something more than the commendation of the community. It must have the active support of every member of it. And by this we mean the financial, as well as moral, aid. Ever person whose interests are in any way dependent upon the business prosperity of the city should be ready to assume a portion of the burden.

There is but one way that this can be be done—by becoming a member of the organization and contributing to its support. The cost to the individual is but a trifle. Surely 50 cents a month is a small sum, when is expenditure is devoted to the securing of profitable business or permanent and lucrative employment.

Pretty Function at Neuman Home.

Mr. and Mrs. James V. Neuman entertained about twenty of their friends at a party last Saturday night. The grounds and porches of their home were decorated with Chinese lanterns and the evening was so beautiful and balmy that much of the pleasure was enjoyed without doors. Miss Alice Holden, Miss Laura Hanson and Walter Nobs were found to be the most proficient in several of the games and received tokens because of their skill. At midnight refreshments were served which helped to add to the pleasure of a most beautiful evening.

Prssing of an Old Resident.

Mrs. Marie Frusetta, a native of Switzerland, aged 77 years, died at the home of her daughter, Mrs. A. Bassetti in this city Thursday night. She had made her home wit her daughter for the past sixteen years and was well-known to the people of La Honda, Woodside and Redwood City, where the Bassetti family lived at different times. The deceased leaves a son in Philadelphia, two sons residing in San Bonita county and Mrs. Bassetti residing in this city. The remains will be shipped to Holister this morning and the funeral will take place on Sunday and the remains will be placed along side of herh usband in the little cemetery in Hollister. The memory of this good woman wil always be cherished by her many frineds in San Mateo county.

Born—In Redwood City, June 15, to the wife of Albert Mansfield, a son.

LOCAL BOARD OF TRADE HOLD ANNUAL BANQUET

[Continued from third page.]

the members of the Board of Trade upon their decision to enlarge the sphere of their endeavors and prophesised great results from their efforts. He urged that the efforts of the members of the Board should receive the united support of the public and claim an increased membership. Passing to the prospects of the future, Mayor Merrill devoted some time to an explanation of the work of development of the water front and factory sites of the city. While progress had not been as rapid as he had hoped, still gratifying progress was being made, and it was the confident hope of the promoters that within a short time several enterprises of considerable magnitude would be located here. At the present time much of the attention of the promoters of the plan was being devoted to securing to such enterprises the best possible advantages in the matter of freight expense.

Street Railway Assured.

As one who had been identified with most of hte movements for the progress of the city from the days of its pioneer history, Judge E. F. Fitzpatrick was introduced to enlighten his hearers on the progress being made with the much desired street railway system. While briefly recounting the history of the inception of the enterprise, Judge Fitzpatrick was eloquent in his prognostications of future prominence from the commercial activities of the city, in which he beleved the proposed railway would be an important factor. That the road would be built he assured his hearers. As one interested in the city he preferred that it should be controlled by home capital and to this end he would use his best endeavors. If howlocal capital failed to come to the front he believed there were others who would appreciate the future of the invstmeent.

Trustee Jos. J. Hahir, who was introduced as the next speaker, proved to be the humorist of the occasion. Modestly denying his ability as an orator, Mr. Hahir proceeded to regale his hearers with amusing stories until the very walls shook withlaughter.

As the last speaker on the formal program, Trustee Geo. A. Deleau was presented and for a brief space commanded the closest attention from the assembled banqueters. Expressing his gratification at the manifest interest exhibited by the business men in the welfare of the city, he urged a still greater enlargement of effort. While commending a spirit of competition in business lnes, he made astrong plea for unity of action in the development of the natural dresources of the city. If we are to progress we must deal with live projects and openly fight imposition of all classes. Speaking along this line, he urged that an effort be made to secure a more reasonable adjustment of the present rates imposed by the telephone company, which he characterized as most iunjust to the people of the peninsula cities. He also suggested that an effort be made to induce the introduction of a competiting railroad system.

While not on the regular program of speakers, D.R . Stafford made an earnest protest against the unjust and discriminatory policy pursued by the people who controlled the fire insurance rates, which had been made so exhorbitant as to almost preclude this character of financial protection. In illustrating the force of his argument Mr. Stafford cited numerous instances of unjust discrimination.

Redwood Makes Another Winning.

Redwood City won its tenth game Sunday by defeating the Yosemites by a score of 2 to 1. It was a fine game. The feature of the game was three double plays in which Swan, Fraser, Castro and Goldenson figured. Next Sunday the local team will meet the Pall Malls one of the strongest teams of San Francisco, who have defeated all the teams around the bay. The Redwood base ball team will play at Buringame on the Fourth of July.

War Story at the Bell.

One of the best programs ever shown at the Bell theatre was that of last evening, the special reel being "The Mexican Revolutionists," a Kalem story of the love and adventure of a Mexican revolutionist. From the start to the finish the picture is replete with stirring scenes of warefare among the insurgents of our neighboring country, made interesting with the efforts of a maiden to assist her lover. In addition to the program of four reels, two splendid vaudeville acts were presented, one a screaming Yankee sketch and the other an extremely funny darky skit. The same program will be repeated this evening and notwithstanding the added attractions the price of admission will be but the usual, 10 cents.

For Monday and Tuesday evenings the special feature will be another reel of war scenes, this time illustrating a sensational spectacular page from the history of our own civil war. This is a picture which will especally appeal to the American heart, telling as it docs the sotry of a wife's devotion to her soldier husband.

George W. Lovie was taken seriously ill Monday and for a time was in a critical conditon. He has since fully recovered.

The hospitable Beeger home was the scene of a large party on Saturday afternoon, when Miss Gertrude Beeger entertained all her pupils, the second grade of the grammar school.

CITY COUNCIL HAS A BUSY SESSION

Six Keepers of Saloons Find Their Fitness to Conduct Business Questioned

That the trustees are determined to insist that there must be a strict compliance with both the spirit and letter of the law by keepers of saloons was made manifest at the meeting of the city council on Monday evening, when six of the dispensers of "liquid refreshments" were given a week on the anxious seat, with still a strong prospect that some of these, at least, will be forced out of business. The action of the council was taken on the annual consideration of the application of the saloons for the renewal of the permits under which their licenses are issued. In all a total of nineteen applications of this character were presented, being one less than the number of liceneses inforce during the past year owing to the retirement of Lon Cook from the business. While no specific charges were made, it was plainly evident that Trustee Sampson, chairman of the committee on public morals was far from satisfied with the conduct of the six places mentioned when he recommended that their applications be laid over for one week and their owners summoned to appear before the council and that they must at reform if they are to be allowed to least show some strong symptoms of continue in the business. All of the trustees were present at the meeting and the action was unanimous.

A communication from Osborne & Kidd, the expert accountants who had examined the books of the city officials, recommended that the chairmen of the various committees submit estimates of the cost of conducting the several departments of the city was referred to the finance committee, it being understood that the suggestion was one merely of a method of bookkeeping.

C. G. Landscheit, as agent for the Wooll property on Broadway, presented a communication complaining of an overcharge in the water bill of that property amounting to $4.20. It appearing that the disputed bill had been paid it was ordered that a rebate of $2.10 be allowed, upon the showing that the bill had been in excess of the usual amount and that no means of accounting for an unusual flow of water could be found.

Water System Still Profitable

The regular monthly reports of the city officials and employees were presented and after consideration and approval were ordered filed.

The report of Treasurer Towne shows that notwithstanding the increased amount of water used for street sprinkling and the irrigation of public parks, the water system is still showing a good margin of profit there being a balance for the month of $127 after the payment of the claims against the fund. At the time of making the report there was a balance of $1788.66 in the water fund. The library fund has a balance of $1249.02 to its credit, while the general fund is overdrawn to the extent of $3174.67.

The report of Marshal Coleman shows that the collections of his office for the month amounted to a total of $984.46.Poundmaster Shine reported that he had impounded 5 horses, 2 cows and 16 dogs, and that all of the dogs taken up had been killed.

The contracts for sweeping and sprinkling of the streets were awarded to George Alvis, who will receive $8.40 per day for sprinkling the strets and $50 per month for the sweeping.

Chairman Deleau of the finance committee reported that after an investigation he was convinced that an adding machine wasa needed adjunct of the clerk's office and recommended the purchase of a Dalton machine which had been on trial for several months. While not questioning the advantage to be derived from the use of the machine, Trustee Hyning strongly opposed its purchase at this time because of the depleted condition of the city funds. Trustee Deleau, however still insisted that the purchase of the machine would be a wise move because of the economy in labor and increased accuracy, and a motion to purchase the machine was made by Trustee Hahir. The motion was carried by a vote of four to one, Trustee Hyning voting no.

License Application Laid Over

Nineteen applications for the annual renewal of saloon licenses were presented by Clerk Plump. Upon the recommendation of Trustee Sampson, chairman of the committee of public morals, action on the applications of F. Schumacher, H. S. Sears, Limbaugh & Flynn, Larrouy Bros., Maloney Bros., and John Meyers were deferred until next Tuesday evening and the clerk directed to notify the applicants to appear before the council at that time. The usual permits for renewals were granted the remaining applicants.

Plans and specifications for the improvement of the streets in what has been formerly known as district 17, as outlined in the resolution of intention adopted last month, were submitted by City Engineer Pioda and were paproved. An ordinance ordering the work of improvement to be done and directing the clerk to advertise for bids was introduced and given first reading. The estimates of the city engineer places the approximate cost of the improvement of the streets and intersections at nearly $40.000.

An amended ordinance providing for the sale of the recently authorized improvement bonds was introduced and given its first reading. The new ordinance eliminates the $5000 bonds for the extension of the lighitng system which the bond buyers declined to accept, holding that this item has failed to receive the necessary two-thirds vote.

Trustee Hahir called attention to the uninviting appearance of the creek below the Broadway bridge and suggested that some steps be taken to secure a more inviting appearance. While the force of the complaint was admitted, no acceptable remedy could be suggested and the matter was finally dropped for the time being. In the same connection Trustee Hahir called attention to the inefficiency of the dredging recently completed in the creek below the city dock, stating that already the creek had filled until there was but little more depth of water than had been shown before the work was done. This result he considered as due to the use of an inefficient dredger and and suggested that should the work be again undertaken by the Government the trustees should use every influence to scure the use of a suction dredger.

At the suggestion of Trustee Deleau the superintendent of streets was instructed to cut off and burn the weeds from the roadway of Roosevelt avenue. In making the recommendation Trustee Deleau stated that he hesitated to recommend expenditures of this character while the city treasury was facing a deficiency, but was impelled to the action by the uninviting appearance of the street, which had been the source of adverse comment on the part of visitors.

The new map of the city was presented by City Enginer Pioda and was given the approval of the council with the understanding that the engineer was to file a written statement setting forth the ten statement setting forth the extent of his cretification of accuracy in the data from which the map was made.

An adjournment was then taken until next Tuesday evening.

NEWS GATHERED FROM THE COUNTY

Interesting Notes Picked Up By Hustling Reporters in the Country Districts.

SOUTH SAN FRANCISCO.

Work on the installation of the masts for the big wireless telegraph station at South San Francisco is progressing rapidly and they will soon be ready for the installation of the remainder of the apparatus. When completed the masts will be the tallest of any station in the world, the highest raising 480 feet from the ground, while the other will be but little more than 40 feet less.

Although for several weeks she has stood in second place in the contest, Miss Leonora Parr has been chosen as quen of the big Fourth of July celebration. For some time Miss Fern Mahoney has been occupying the leading place in the count, but evidently the friends of Miss Parr have been saving themselves for the final struggle last Saturday night and just before the close of the ballot the reserve votes were rushed into the box and turned the scale.

SAN BRUNO NOTES.

With an interesting entertainment which attracted a large attendnace of parents and friends, the schools of San Bruno closed for the term last Friday afternoon.

Another business venture has been launched in San Bruno with the opening in the postoffice block of a dry goods, notion and candy store.

The Ladies Aid Society of the San Bruno Methodist church are making plans to serve a dinner to the public on the evening of July 3d. Thed inner will be served in the basement of the church on Mission road.

San Bruno came near being the scene of an extensive fire last week. Shortly after midnight Monday morning a party of young folks returning from a social gathering at Lomita Park disocvered an incipient fire in the store of L. Peterson on San Mateo avenue. The alarm was given and prompt cation on the part of the neighbors extinguished the blaze before much damage was done. The fire was evidently of incendiary origin, several barrels filled with straw being found against the building where the fire had started.

SAN MATEO AND BURLINGAME.

The trustees of Burlingame school district have tentatively fixed upon August 1st as the date for holding the third election to decide the question of the issuance of bonds for the purpose of erecting a school building. Unless the new building is auhtorized the trustees will find great diffculty in providing accommodations for many of the children.

Hilsborough enjoys the unique distinction of being without a single delinquency on its municipal tax roll. Before the time of posting the delinquent rolls every taxpayer of the city had met his obligation.

The session of the citycouncil of San Mateo Monday evening was marked by a turbulent manifestation of disapproval of the action of a majority of the trustees. At the session the question of closing of El Cerrito street, which has been the cause of much bitter discussion for some weeks, came up for final action. In the face of the strong protest an order closing the street was adopted by the affirmative vote of three members of the board.

As soon as the question was declared adopted, the crowd which had gathered to voice their protest filed out of the room exhibiting their disapproval by hisses. The street was closed at the request of Eugene de Sabla who desired to merge adjoining property with his estate.

NEWS OF DALY CITY

The CivicBetterment League of Daly City has started a campaign for the municipal ownership of a water and sewer system. At the meeting of the League Tuesday evening discussion of this subject drew out a large attendance of interested citizens.

FROM THE COAST SIDE.

Dr. Della M. Locke, a dentist of San Francisco has opened offices at Halfmoon Bay. Dr. Locke is a graduate of the University of California and before removing to Halfmoon Bay she had an extensive experience in San Francisco.

Smelt have been unusually plentiful in Hafmoon Bay this season. These fish have come in large schools and immense numbers have been caught with nets.

The San Mateo Produce Company has let a contract to J. P. Collins for the sinking of four wells on the Schubert ranch, near Halfmoon Bay.

The harvesting of seed peas is now in full blast on the coast side. Nearly 1000 acres have been planted to this vegetable and the crop is reported to be quite heavy.

F. L. Roe has disposed of the business of the Halfmoon Bay soda works to E. B. Morse, who will continue the business. Mr. Roe will leave the coast side to engage in business elsewhere.

SUPERVISORS MAY NOT LIMIT CREMATORIES

Judge Buck Decides Prohibitary Ordinance Unconstitutional.

Judge Buck has rendercd a decision in the case of Abbey Land & Improvement Co. against the County of San Mateo, giving judgment in favor of plaintiff. Some time ago the board of supervisors passed an ordinance prohibiting the establishment of any more crematories in the county and the company brought the suit to test the validity of the ordinance. There is only one crematory in the county and that is conducted at Cypress Lawn. Following. is the decision in full:

"Many years ago Mount Olivet Cemetery Association received permission from the legislation body of this county to conduct a cemetery in the First township of this county. Among other things contained in its articles of incorporation was the right to conduct a crematory. After the lapse of some time and after about a quarter of a million of dollars have been expended by it on its cemetery grounds the same legislation body seeks by and through the ordinance in question to restrict the rights thus granted to the Cemetey Association and refuses without any sufficient cause therefore being shown to permit the Cemetery Association to carry out the purpose of its organization. This is connot do. The plaintiff also claims that by and through the ordinance in question special privileges are granted to one to the exclusion of the many which cannot legally be done. In this contention think the plaintiff is correct and hence the ordinance in question is void. Motion of defendants for judgment on the peladgins is denied. Judgment will be entered for plaintiff.

BUCK, JUDGE.

O'Keefe is Exonerated.

After being out fifteen minutes the jury in the J. H. O'Keeefe trial returned with a verdict of not guilty late Thursday afternoon. The case was begun on Monday morning with Shortridge, Willard and O'Keefe representing the defendant, and District Attorney Swart and J. Smith the prosecution. Many witnesses were examined, but the testimony offered by Father Gleason of Palo Alto was in itself a complete exoneration of O'Keefe. The evidence producd at the trial and the prompt acquittal of the accused by the jury demonstrated that fact to be true.

Strong Financial Institutions.

In the advertsng columns of this issue will be found the statement of the condition of the business of the two affiliated pioneer banking institutions of San Mateo county, the First National Bank and the San Mateo County Savings Bank. Strong in the confidence of the people by whom they are surrounded, the business of these banks shows a steady and continued growth. That they merit the large share of confidence shown is evidenced by the fact that the repors show the assetts of the affiliated banks to total almost a million and a half dollars, truy a showing of which any community may be proud.

Don't forget the ball to be given by the baseball team at the Alhambra on the 29th instant. A pleasant evening is guaranteed to all who attend.

MISS ALLEN'S PUPILS GIVE PRETTY ENTERTAINMENT

A delightful evening was afforded an audience which well filled the Alhambra theatre last Saturday evening by the young pupils of Miss Lorine Allen's dancing classes That Miss Allen is a successful instructor in the art of dancing, especially among the younger people was amply attested by the proficiency and grace exhibited by her pupils. With a program of twenty-five numbers, among which were included some decidedly intricate movements, both individual and in groups, every one was worthy to be classed as perfection. Certainly the large audience gave manifest evidences of its apreciation of the work of both teacher and pupils.

Where all were so worthy of praise, individual mention would ing features of the program can seem superfluous, yet some strikscarcely escape mention. Especially is this true of the Bell Dance by by Miss Adelaide Butts and the French Song and dance by little Marie Gunther. One of the particularly striking numbers was the Russian dance by the Misses Hazel and Mildred Lamb. The cowboy song and dance, by a groupe of boys led by Elliott Sanford was another splendid exhibition of proficiency in drill, which was followed by a graceful French dance by Dorothy Bress. One of the most appreciated numbers on the program was a Chinese song and dance by a groupe composed of the following: Elain Thrower, Thelma Mabee, Bavard LaLande, Elliott Sandford, Robert Murray, Freddie Paulsen. Another extremely graceful exhibition was the Serpentine dance by Miss Eline Tuchsen. As a finale, the "Ramona," by Elain Thrower and Florence Gilbert, proved an entertaining number.

LOCAL BOOSTERS IN ANNUAL REUNION

Members of Redwood City Board of Trade Hold Enthusiastic Get Together Meeting

The annual banquet of the Redwood City Board of Trade at Bernasque's Cafe last Tuesday evening—the first to be held under th auspices of the remodeled organization—will stand out as a notable affair in he history of the material development of this city. "A long pull, a strong pull and a pull together" for the upbuilding ofhome industries was the prevailing sentiment. In fact the function was a purely home affair, conducted entirely by home people. Every speaker was a Redwood City man, and every sentiment expressed was the good of Redwood City.

Of course the menu was an excellent one—prepared by Bernasque, how could it have been otherwise—but the discussion of tempting viands seemed to be a minor consideration for those present. The actuating spirit of the assemblage, voiced on every side, was the sentiment of united and harmonious action for a better and greater Redwood City, a determination to lend public aid to every worthy enterprise.

H. C. Tuchsen, former president of the Board of Trade, and king of the local boosters, presided as toastmaster, and right worthy did he discharge the duties imposed upon him. In welcoming the members and guests to the festivities of the evening, Mr. Tuchsen directed attention to the recent enlargement of the sphere of work of the Board of Trade and presented a bright prophesy of its future accomplishments. As the first speaker of the evening President P. A. Ryan of the Board was introduced, as one well qualified to present the claims of the new organization for public support.

Everybody Must Get In.

While the address of President Ryan was brief, it was directly to the point. In a few words he explained to the guests changes which had been made in the rules of the organization to provide for the enlargement of the scope of its work, explaining that the members of the mercantile community had subordinated their private interests to the general good of the community and paved the way for united public action. Under the present plan of action was such as should command, as it was now receiving, the general support of the people. Not only was it urged that the Board fo Trade should be supported by a large memebrship but that all who had the general welfare at heart should lend the encouragement of their presence at its meetings and personal efforts in the work of promotion.

Judge Buck Reminiscent

As the tables were being prepared for the next course, Judge George H. Buck was introduced by the toastmaster, and in a few moments the banqueters had lost all thought of the coming viands and had concenrtated their entire attention upon hte speakers. With a few sallies of wit, the judge had his audience in the best of humor and fully alive to the spirit of the occasion. As on who had seen the city grow from almost its infancy, he told his hearers of the improvements made in the past, contrasting the present with the days of the pioneer "shanty." Then, taking up the present needs, he urged a continuation of the spirit of improvement, especially making a plea for more modern streets and avenues leading to the city. While continuing his plea for improvement, the Judge urged conservatism in the management of public affairs, particularly advising that the city trustees adhere to a course of careful economy in the expenditure of municipal funds. While generally commending the course of the city officials, the Judge took issue with the recently adopted plan of separating the work of making assessments and collecting taxes from that of the county, urging that too frequent calls of the tax gatheres lead to a feeling of unrest among the people. In conclusion, Judge Buck congratulated the present city trustees upon the management of city affairs. Under present conditions, he said, the city is emerging from its position of obscurity and is fast becoming known as one of the up-to-date municipalities of the State.

Assessor Hayward Complimented

In presenting the next speaker, toastmaster Tuchsen remarked that he was introducing a man who had proved his loyalty to the city by an earnest devotion to her affairs. For a number of years, said he, Mayor George A. Merrill had freely given to the city the best of his thought and energy, assisting in the promotion of public enterprise.

For a short time Mayor Merrill devoted himself to a review of the conduct of city affairs and consideration of the motives actuating those on charge of her affairs. The past four years, said he, has been an era of improvement and progress, but only such as had been approved by the people. Considerable sums of money had been spent in the improvement of the city, but only such amounts as had been first authorized by vote of the people, and for which it must be admitted full value has been secured. While defending with strong argument the policy adopted of providing for separate assessment of city property, Mr. Merrill paid high compliment to the work of County Assessor Hayward, whom he characterized as one of the best assessors in the State. It was the system which made the office of assessor an elective one with which he found fault

Passing to considerations of the future, MayorM errill congratulated

REDWOOD CITY LOCAL NOTES

Mrs. Ella Loomis, principal of the San Bruno Park school, was in Redwood City during the week visiting friends.

Mrs. T. G. Phelps of San Carlos accompanied by her niece, Miss Ethel McLean, and Mr. and Mrs. J. B. Schroeder, left last Friday for an outing trip to Alaska.

Miss Louise Caldwell left on Tuesday for her home in San Jose. She will remain there until August when she will go to Oakland to teach during the coming year.

Miss Katherine Wolfenden left on Tuesday for a six week vacation. She will go first to Lassen county after which she will visit relatives in Salt Lake.

The San Mateo County Board of Education is in session this week correcting the papers of the applicants for diplomas. They will finish their labors next Wednesday or Thursday.

Mrs. Catana a former resident of Halfmoon Bay, with her daughter who is a recent graduate of the San Francisco normal school was in Redwood City Thursday visiting friends.

The Woman's Relief Corprs wil hold a special meeting in I. O. O. F. hall on Saturday afternoon at 3:30 to arrange for a trip to the W R. C. Home at Evergreen. All members interested are urged to be present.

The different teachers in the upper grades of the grammar school took their respective classes on picnics during the week. All who went on the several occasions expressed themselves as having had a delightful time.

The eighth grade of the grammar school with their teacher, Miss Margaret Roche and Miss McEvoy picnicked in the woods back of Woodside Tuesday. All had a most delightful time. The greater portion of the class will enter the high school next semester.

Chris Stilleson has been appointed verification deputy for W. J. Murray who is seeking the Democratic nomination for supervisor of the Third township. Mr. Stilleson filed his certificate of appointment with the county clerk on Wednesday.

Guild Workers Entertained.

Members of St. Mary's Guild of this city were very pleasantly entertained Thursday by Mrs. Lord at her beautiful San Carlos home. The gathering was purely an informal one, the afternoon being spent with social diversions, concluding with the service of light refreshments. Members of the party are enthusiastic over the hospitality of Mrs. Phelps, who is always actively interested in the promotion of the work of St. Mary's Guild.

New line of summer dress goods at Marcus' Deparment Store.

Mr. Reginald Quinn is here from Benicia visiting his aunt Mrs. Horace Gardiner.

Mrs. Madge McCracken of Kellogg Idaho, was a local visitor this week, she having stopped over on her way from Los Angeles to Idaho to spend some time with her friend, Mrs. W. H. Kelso. Mrs. McCracken is charmed with this section of California and may return and make Redwood her home.

Mrs. John D. Gish of Woodside has accepted the appointment of the high school trusteeship made vacant by the death of George D. Greeley. Mrs. Gish has lived in Woodside a comparitavely short time but has made many friends during her residence there so she will be a fine represntative for that district.

Members of the Masonic fraternity of this city are to be given a special treat this evening. At aspecial meeting of Redwood City Lodge the third degree will be conferred by the officers of San Mateo Lodge No. 226. At the close of the meeting a banquet will be served. A special invitation has been extended to all sojourning Master Masons.

Edward Hanson, son of Mr. and Mrs. Nicholas Hanson and graduate of Sequoia high school, who has been in the north-west for the past three years was in town Thursday visiting friends. He was much impressed with the advancement Redwood City has made. Mr. Hanson will leave next week for Aberdeen, Washington where he will spend some time.

Among those to receive diplomas of graduation from the San Jose Normal School Thursday are Miss Emma Holden and Miss Sophie Nobs of this city. Both of the young ladies have secured schools and will begin work in July. Miss Holden has been appointed to teach the San Gregorio school. They are both bright young ladies and will make a success in their chosen profession.

William L. Reid, a wealthy mill owner who has the controlling interest in a big silk mill in North Hampton, Mass., and also the owner of a paper mill in Halyoke, Mass. has purchased a tract of land in the foothills back of Wellesley Park. He intneds to erect a ten room bungalow at once and will spend six months of the year here. He has a large family of interesting children. Mr. Reid while not a millionaire is considered very wealthy.

Interlocutory Decree Granted

Judge Buck yesterday granted an interlocutory decree of divorce to Emma M. Veteran from her husband, William E. Veteran on statutory grounds. Certain separate property at San Mateo was given to Mrs. Veteran. and she was allowed to resume her maiden name, Laura M. Fontes.

LOCAL NEWS OF MENLO PARK

BRILLIANT WEDDING WILL BE CELEBRATED BY BISHOP

Imposing Ceremonial Will be Held at St. Mary's Cathedral.

James Edward Fitzgerald and Miss Mary Teresa Ryan will be united in ma rriage at St. Mary's Cathedral, San Francisco, on Wednesday, July 3d, at half after nine o'clock. The ceremony will be performed by Archbishop Riordan and as several hundred invitations have been sent out a large attendance is expected. The beautiful bride to be is a sister of Daniel A. Ryan, the well-known lawyer, orator and politician. She is a school teacher, having taught in the school department of San Francisco for a number of years and is highly accomplished and a young lady of refinement with a sweet and attractive manner. Mr. Fitzgerald spent the greater poriton of his life here, attending the local school and graduating from Heald's Business College in San Francisco several years ago. He holds a good position with the harbor commissioners of San Francisco and is held in the highest esteem by his employers. Mr. Fitzgerald is a most exemplary young man, having no bad habits. He is admired and liked by all who know him. He is the only son of Thomas Fitzgerald, the well-known hotel keeper of Menlo Park. The young couple will most likely make their home here, whrer Mr. Fitzgerald is planning a beautiful residence on his property in the John T. Doyle subdivision.. The community needs just such men as Fitzgerald, energetic, enterprising, and public spirited and who will attract others to this God chosen spot.

Menlo Park News Notes.

The Sacred Heart Academy closed Wednesday for the summer vacation. A large number attended the commencement exercises.

The Five Hundred Club held its weekly meeting at the home of the Misses Casey last week. The prize was won by Mrs. M. E. Selzer, the popular druggist.

The new hunting licenses have been received by Fred Seal and those desiring to hunt dove and other birds will have to secure the licenses on July 1st as the old ones expire on June 31st.

Frank Hutchinson met with a painful accident Tuesday evening at San Mateo. He stepped off a street car there and fell over a rock pile spraining his ankle. It was dark at the time and he did not see the object in front of him. He was brought home the following day and is now confined to his home. Mr. Hutchinson will be laid up for several days.

Ravenswood Railway Completed

Construction work on the Ravenswood railroad, about 7,150 feet feet long, was finished yesterday with the driving of the last spike and the throwing of the last shovelful of ballast on the roadbed. This marked an important transition in the Ravenswood property from an agricultural to a manufacturing district. The new road is broad-gauge and cost approximately $10,094. It was built to develop and accommodate new factories and industrial enterprises of all kinds in Ravenswood.

Items of Personal Mention.

Mrs. Melborne Carter and her two pretty daughters will shortly leave for Santa Cruz to open her cottage for the summer.

W. L. Growall departed yesterdaywith his family on a motoring trip to Lake Tahoe and will be absent for the remainder of the month.

GALLAGHER-MARSH BUSINESS COLLEGE
1256 MARKET ST. S.F. CAL.
RECOMMENDED BY THE EXPERTS
SEND FOR LITERATURE

Students desiring lucrative employment in San Francisco should send for pamphlet, read letters of advice from the expert court reporters, also the resolutions adopted by the HOME INDUSTRY LEAGUE OF CALIFORNIA (more than 900 busidess concerns in San Francisco) recommending GALLAGHER-MARSH graduates, and then they will understand why they should attend GALLAGHER-MARSH, the college that has graduated during the last ten years more expert stenographers than all other business colleges in California put together.

Mr. Robert F. Gallagher, principal and proprietor of Gallagher-Marsh Business College, is the official reporter of our Superior Court, presided over by Judge Buck, and the young people of San Mateo county will make no mistake by attending this college.

In the Superior Court of the County of San Mateo, State of California.
Mary Silva, Plaintiff, vs. Manuel Silva, defendant.
Action brought in the Superior Court of the County of San Mateo. State of California, and the complaint filed in said County of San Mateo in the office of the Clerk of said Superior Court.
The People of the State of California send greeting to:
Manual Silva, defendant.
You are hereby required to appear in an action brought against you by the above named plaintiff, in the Superior Court of the County of San Mateo, State of California, and answer the complaint filed therein within ten days (exclusive of the day of service) after the service on you of this summons, if served within said county, if served elsewhere within thirty days.
And you are hereby notified that if you fail to so appear and answer, the plaintiff will take judgment for any money or damages demanded in the complaint as arising upon contract, or will apply to the Court for any other relief demanded in the complaint.
Witness my hand and the Seal of said Superior Court of the County of San Mateo, State of California, this 4th day of November A. D. 1911.
[SEAL] JOS. H. NASH, Clerk.
By E. L. Falvey, Deputy Clerk.

Assessor's Instructions

To Owners of Real Estate and Personal Property.

The law requires each and every person who ownes any class of property to annually, during the months of March, April or May, file a statement with the Assessor or his deputy in the county where his property is located. You should give a statement of all property owned by you on the first Monday in March at 12 o'clock m.

If you hold mortgages against others send in a mortgage statement showing amount due on each mortgage on the first Monday in March at 12 o'clock m.

No charge can be made by the Assessor after he turnes over his books to the Boasd of Supervisors on the first Monday in July. The Board then sets as a Board of Equalization during the month of July.

Remember, if you fail to give in your assesment you fail to comply with the law and may cause yourself, the Assessor and Tax Collector much trouble, and very likely cause yourself expense.

It is much more satisfactory to the Assessor as well as to yourself, to have your assessment correct when you go to pay your taxes.

Annual Examination For Teachers.

The annual examination for teachers' certificates conducted by the Board of Education of San Mateo County will be held in Redwood City at the Court House, commencing on

Monday June 17, 1912,

at 9 a. m. and continuing to and including Friday, June 21st.
GEORGE W. HALL, Chairman.

A. HEINER, President — Redwood City — R. F. CHILCOTT, Secretary — California

Abstracts of Title to all lands in the County of San Mateo

MEETING OF SUPERVISORS.

miles, 22 feet wide, macadam, $50,500.
Total mileage, 119.
Total cost, including bridges, culverts and retaining walls, $1,156,150; substituting tunnels on the San Mateo and Halfmoon Bay road, the total cost would be $1,355,150; and with changing roadway on same road, $1,171,150.
It was decided to meet next Monday and devote the day to a consideration of the report and on the following day the civic bodies of the county, the Development Association and the several city councils are invited to be present and join in a criticism of the report.
Superintendent Ford of the county farm was authorized to purchase a driving horse.
Mr. Ford asked the board to take some steps to provide water for the farm and hospital as the wells were going dry.
Brown suggested that a test well be bored.
On motion of Blackburn, seconded by McEvoy, the clerk was directed to advertise for bids for sinking a test well on the premises, bidders to give price per foot for the work or cost per day.
The chairman announced that there were two vacancies in the county board of education to be filled and declared nominations in order.
Blackburn nominated Miss Leighton of Pescadero to succeed herself; Brown nominated Geo. W. Hall of San Mateo, also for reelection, and Francis nominated Arthur Croop of Halfmoon Bay.
Nominations were declared closed and the chairman directed the members to prepare their ballots and vote for two.
Blackburn made a strong protest against the third nominee, arguing that Pescadero had always been represented in the board and was still entitled to representation.
A vote was taken which resulted as follows:
Hall, 5 votes.
Croop, 3 votes
Miss Leighton, 2 votes.
Messrs. Hall and Croop were declared the choice of the board.
The monthly allowance of $8 heretofore granted to Edward Foley and discontinued a month ago was restored on motion of Francis, seconded by Casey.
Action on the communication from the Redwood City Woman's Club regarding the Hawes memorial was postponed until the next meeting.
On motion of Blackburn, seconded by McEvoy it was ordered that action be taken to have the seal in the floor of the courthouse rotunda repaired.
Blackburn was authorized to have the Cascade bridge in his district repaired at a cost not to exceed $300.
Adjourned to Monday, June 24th, on which date the claims against the county will be paid.

Hog Ranchers Must Move.

Judge Buck handed down a decision Monday sustaining the county ordinance affecting the hog ranchers. By the terms of the ordinance the hog industry must move out of Colma.

To Please the Palate
is our aim in serving meat—to retain the fine flavor Nature bestows, not to let it go to waste, as some meatshops do. With prolonging this true tale, it may be set down for a fact that here is to be found a first-class place to purchase beef, mutton, lamb, ham, poultry and game, to give your table good credit with household and guest.

In the Superior Court of the County of Alamada, State of California.
In the matter of the estate of Minerva Brown, sometimes known as Manirva J. Brown, deceased,
No. 8150. Dept. 4. Order to show cause why order of sale of real estate should not be made.
It appearing to the said Court by the petition this day presented and filed by Charlton S. Jones, the Administrator of the estate of Minerva Brown, sometimes known as Manirva J. Brown, deceased, praying for an order of sale of real estate, that it is necessary to sell the whole or a some portion of the real estate belonging to the estate of said deceased, to pay the debts outstanding against the said deceased, and the debts, expenses and charges of administration:
It is therefore ordered that all persons interested in the estate of said deceased appear before said Superior Court on, Monday, the 24th day of June A. D., 1912, at 10 o'clock A. M., of said day, at the Courtroom of said Court, Department No. 4, at the Courthouse in the City of Oakland, then and there to show cause why an order should not be granted to the administrator to sell so much of said real estate as shall be necessary, and that a copy of this order be published four successive weeks in the Times-Gazette, a newspaper printed and published in San Mateo County, California.
Alameda County.
Dated May 17, 1912.
